

Euphoria

DANCE COMPETITION

SIDNEY 2024

With a very specific vision in mind, we at Euphoria Dance Competition set out to create an event that would not only inspire and congratulate dancers, but an event that would bring together a dance community that is thriving and growing daily.

To many, dance is used to express and tell a story, and by giving dancers the means to perform and share with us, we are striving towards a powerful environment that will push everyone to their greatest potential and reborn a love that many have for dance.

By introducing a competition that focuses on technique, as well as stage presence, we encourage all performers to reach for their own personal dance goals. Being a part of the community ourselves, we have first hand knowledge of the blood, sweat and tears that go into a routine that is stage ready, and we want to acknowledge and award that work.

JUDGE 1

Kim Klassen

A sought after teacher and choreographer, Kim Klassen brings style, passion, and technical artistry to students throughout the province. Having trained professionally both in North America and Europe, Kim has studied a variety of disciplines including tap, jazz, lyrical, musical theatre, and contemporary. Throughout her career, Kim has received numerous awards and accolades and has had many of her dancers and routines recognized as overall and high score winners. In addition to the time she has spent on competition choreography and routines, Kim finds herself constantly looking to understand movement beyond the steps, and as a result of this, she has completed numerous ballet and tap exams. Most recently, she was invited to attend the Imperial

Society of Teachers of Dancing summer residency in the UK where she completed her associate degree in their faculty of tap dance. Kim's formal education also extends beyond the dance studio, and in addition to an undergraduate degree in Psychology and Kinesiology, Kim is currently attending Simon Fraser University where she is completing her second degree in Elementary Education. While currently on faculty at studios in the lower mainland, Kim is recognized for her challenging and inspiring classes, and has seen many of her own graduate students go on to university dance programs and professional work in the industry. Kim continues to teach workshops and master classes throughout the season and aims to share her extensive knowledge with each student she meets. Kim wants to wish every competitive dancer the best of luck this season and is looking forward to seeing all of the incredible talent on stage at Euphoria this week.

Growing up in Abbotsford, BC, Zoë has been dancing since the young age of 4, when she immediately discovered her passion and gift for dance. During her first solo at the age of 5 she was recognized for her stunning technical skills that continued to develop through her training for the following years. At the age of 16, Zoë became a co-owner of a successful dance studio located in Langley B.C where she continued to share her love for the art. She is now a well known and highly sort after teacher and choreographer for her strong abilities in Acrobatics, Contemporary, Jazz, Ballet, Tap and Lyrical. Zoë has trained in all genres of dance, with her passion and focus in Acrobatics and Contemporary leading her into her professional career at such young age.

Training with The Intensive Training Program at Harbour Dance Centre lead her into her time with The Source Dance Company, where she had the opportunity to not just learn from the industry's best, but to perform all throughout the Lower Mainland. Throughout her years, her talent for acrobatics has always shone through. Acceptance into the highly competitive Artist Preparatory Program at The Circus Lab (Langley, BC) started her journey into full time professional circus training.
