

Euphoria

DANCE COMPETITION

OLIVER 2024

With a very specific vision in mind, we at Euphoria Dance Competition set out to create an event that would not only inspire and congratulate dancers, but an event that would bring together a dance community that is thriving and growing daily.

To many, dance is used to express and tell a story, and by giving dancers the means to perform and share with us, we are striving towards a powerful environment that will push everyone to their greatest potential and reborn a love that many have for dance.

By introducing a competition that focuses on technique, as well as stage presence, we encourage all performers to reach for their own personal dance goals. Being a part of the community ourselves, we have first hand knowledge of the blood, sweat and tears that go into a routine that is stage ready, and we want to acknowledge and award that work.

JUDGE 1

Kim Klassen

A sought after teacher and choreographer, Kim Klassen brings style, passion, and technical artistry to students throughout the province. Having trained professionally both in North America and Europe, Kim has studied a variety of disciplines including tap, jazz, lyrical, musical theatre, and contemporary. Throughout her career, Kim has received numerous awards and accolades and has had many of her dancers and routines recognized as overall and high score winners. In addition to the time she has spent on competition choreography and routines, Kim finds herself constantly looking to understand movement beyond the steps, and as a result of this, she has completed numerous ballet and tap exams. Most recently, she was invited to attend the Imperial

Society of Teachers of Dancing summer residency in the UK where she completed her associate degree in their faculty of tap dance. Kim's formal education also extends beyond the dance studio, and in addition to an undergraduate degree in Psychology and Kinesiology, Kim is currently attending Simon Fraser University where she is completing her second degree in Elementary Education. While currently on faculty at studios in the lower mainland, Kim is recognized for her challenging and inspiring classes, and has seen many of her own graduate students go on to university dance programs and professional work in the industry. Kim continues to teach workshops and master classes throughout the season and aims to share her extensive knowledge with each student she meets. Kim wants to wish every competitive dancer the best of luck this season and is looking forward to seeing all of the incredible talent on stage at Euphoria this week.

JUDGE 2

Krista Hassen

Born in BC, Krista trained in the Professional Ballet Programs of The Richmond Academy of Dance, National Ballet School of Canada, Royal Winnipeg Ballet School, Banff Centre for the Arts, and Montreal's L'Ecole

Superieure de Danse du Quebec. While living in Montreal, she worked with company members of Les Grands Ballet Canadiens, and studied daily with the esteemed Alexandra Wells, former principal dancer of Boston Ballet, and faculty member of The Juilliard School, New York. Krista danced many classical and contemporary roles, completed all RAD Vocational Examinations, and won numerous awards and scholarships, including one to train at London Studio Centre, England. After injuries put a stop to her performance career, Krista obtained a Bachelor of Science Honours Degree in Food, Nutrition, and Health, from The University of British Columbia. With a special interest in wellness and injury prevention, she has conducted nutrition seminars for dancers. For over 20 years, Krista has taught at multiple studios in BC and Alberta. She holds her Teaching Certificate and Registered Teacher Status with the Royal Academy of Dance and is also certified in the Progressing Ballet Technique conditioning method. From 2009 to 2021, she was Head of Ballet at RNB Dance Theatre Arts, in North Vancouver. She is now on faculty at Tri-City Dance Centre in Coquitlam, where she is an Assistant Director to the specialized Conservatory Program, as well as training students in the younger grades of study. Krista also works with pre-professional and professional dancers, having taught company class for both Ballet BC and Lamondance

Krista teaches class with passion and an eye for detail, holding high technical standards, while encouraging individual discovery and expression. She continues to guest teach and choreograph at different schools throughout Western Canada, offering coaching in classical repertoire, PBT, open work (Vaganova and RAD influenced), and RAD Exam Syllabus. Her students are consistently recognized for strong exam results, awards and festival placings. They continue to be chosen as representatives to the BC Provincial Festival, are accepted to prestigious international training institutions, and have gone on to dance professionally. Krista has a genuine passion for ballet, and loves sharing this with the next generation of dancers!
